OBJECTIVE

Recent Strategic Marketing graduate with experience in data-driven decision-making, financial operations, and customer engagement. Proven ability to analyze performance metrics, support business operations, and contribute to cross-functional teams. Seeking to apply analytical and communication skills in business, marketing, or finance-related roles.

EXPERIENCE

ADMINISTRATIVE ASSISTANT

Industrial Health Services Network, Inc. | Hudson, WI | Jan. 2020 - Present

- Manage accounts payable and receivable by filing invoices, tracking payments, and ensuring accurate documentation of company funds.
- Use internal databases to manage records, support reporting needs, and ensure accurate, well-organized data.
- Provide day-to-day administrative support, including scheduling, document organization, and preparing materials for company meetings.

GLO-BUS SIMULATION

UW-River Falls | River Falls, WI | Sept.. 2025 - Dec. 2025

- Achieved Top 3 global ranking among competing teams through data-driven strategic decision-making and effective cross-functional strategic planning.
- Managed all aspects of a simulated global economy, R&D, operations, finance, marketing, HR, and competitive strategy while consistently outperforming industry averages.
- Designed and implemented long-term competitive strategies that maximize shareholder value, profitability, and global market share across multiple regions.

ELECTRONIC SALES ASSOCIATE

Target Corporation | Hudson, WI | July 2019 - Dec. 2020

- Consistently exceeded weekly and seasonal sales goals by delivering personalized product recommendations and closing high-value purchases.
- Developed strong expertise across electronics categories (TV's, gaming, audio, mobile, accessories), enabling confident guidance and upselling based on customer needs.
- Collaborated with team members to maintain organized displays, ensure accurate inventory, and support major sales events (Black Friday, holiday seasons).
